- iv) All Product suppliers have furnished us with their contact details as prescribed by the General Code of Conduct under the FAIS act.
- v) Judgment is exercised objectively by the advisor when recommending products from various product suppliers.
- vi) Where different Products or Product Suppliers, are compared, the different characteristics being compared will be made clear. The Advisor will not give inaccurate, unfair or unsubstantial criticism of any financial product or product supplier.
- vii) Please note that in accordance with legislation we keep an updated Conflict of Interest register. This register informs you, our client of all financial and ownership interests that I/ we may become entitled to and lists the business relationships that I/we have with the product suppliers. This document ensures transparency in my/our dealings with our customers and is available for inspection.
- viii) Neither Network Trust nor the Advisor hold more than a 10% share in any of the abovementioned product suppliers.

Section 4: Financial Services and Product Suppliers Offered by the Advisor

Financial services refer to the services offered by the financial advisor, which include financial planning. Financial planning is a process that evaluates your current financial position against your financial goals and objectives and provides feedback to assist you in achieving your goals. The Financial Planner is qualified to provide advice and intermediary services on the following and has been actively doing so since **July 2004**

Risk (Death, Disability, illness, Income Protector)

Estate Planning

Retirement Planning

Linked Investments (No Term)

Investment Products (Endowments, Once Offs, Education)

Health Products (Hospital Plans, Medical Aids)

Group Schemes (Medical, Provident Funds, Pension Funds)

Commercial Short-Term Insurance

Personal Short-Term Insurance

The Financial Planner may only recommend products from suppliers mentioned in Section 3 of this document. A product supplier means a company or division that issues financial products under a regulatory authority. These products are risk benefits, savings, investments, retirement funds, linked investments (unit trusts), short-term insurance, healthcare, wills and trusts.
